

Research Study

Communicating Diagnosis and Prognosis of Schizophrenia

Principal Investigator: Dr. Yulia Landa

Location: Payne Whitney Clinic, 425 East 61st St, PH, New York, NY 10065

Study Description: The project is looking for individuals diagnosed with schizophrenia, and family members of such individuals, to share their past experiences with discussion about the condition with doctors and other mental health professionals. We are also seeking advice about ways we might educate doctors to improve communication with patients and families about their condition.

If you have ever been diagnosed with schizophrenia, or if you are a family member or carer of an individual who have been diagnosed with schizophrenia, and would like to participate in this study, please contact Dr. Yulia Landa or one of our study investigators:
